The cooks work very hard every day to prepare well-balanced meals for us. Sometimes their work seems to go unnoticed, but these ladies are very much appreciated.

Cooks — Betty Bomkamp, Rosie Kosharek, Dorothy Huza, Lucille Roum, Mary Hebgen, Marjorie Kreul.

The janitors are another group of workers whose labor is endless. They spend many hours keeping the school clean.

The bus drivers have again made sure everyone got to school safely. They braved icy roads, snow, and screaming kids all year long.

Working Together

Laurie, Jeff, Al, & Rodney oversee the job.

We all worked hard to make our prom a success. Everyone did their jobs well, and few problems arose. Our advisors, Mrs. Laverty and Mr. Sonsalla were very helpful and patient during those wild two days. As a result, we had a very memorable evening.

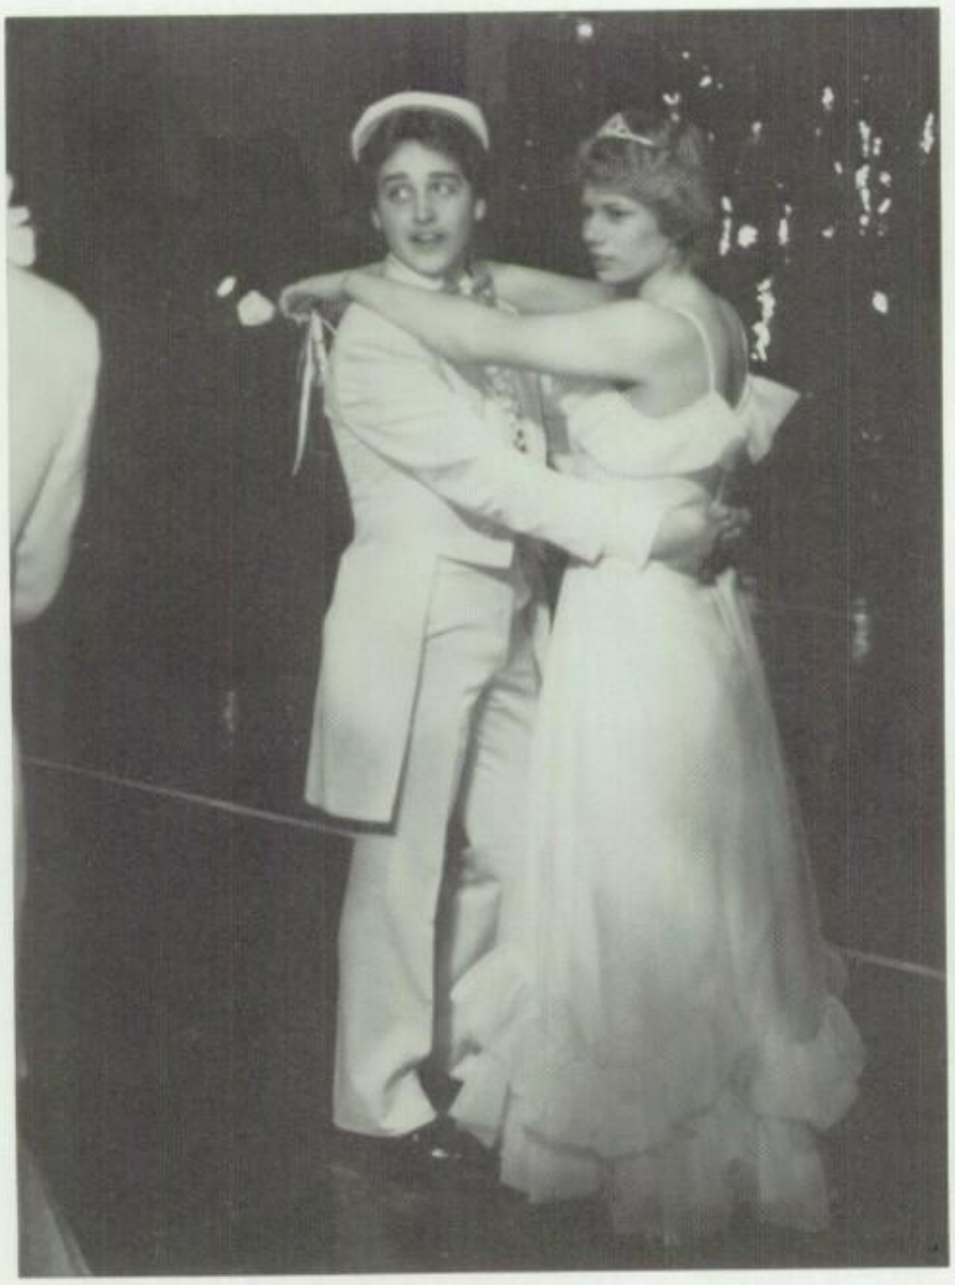
"What If We

Our Junior Prom was a night we'll never forget. Our class pulled together and worked hard for two days. Under the patient guidance of Mrs. Laverty and Mr. Sonsalla, we made the gym co-ordinate with the theme, "What If We Fall In Love." TRILOGY provided the music for this special night. Although it went too fast, we felt it was a success.



Al & Becky dance to our theme song.

King Jeff and Queen Nancy along with Miniature Queen and King, Darcy Drury and Justin Schmelzer lead the first dance.

Homecoming week was a fun-filled, exciting week this year. Our days were Hat Day, Sock Day, Hawaiian Day, Punk Day, and Red/White Day. Many students participated. The football team played tough, but came up short, but aside from that, things went well!

The Cardinal wrestlers again proved that hard work pays off. They had a great dual meet record, marred only by a loss to Fennimore. They placed 1st at the Cassville Tournament and 2nd at both the Ithaca and Marshall Tournaments. Mark Laufenberg was named Most Valuable Wrestler at both the Ithaca and Marshall Tournaments. They were conference champs with 7 individual champions.

Head Coach Ron Steger had a new assistant in Jeff David. Both men worked the wrestlers hard and kept them on their toes. Congratulations wrestlers on a super job!

Fights Hard

The basketball team fought hard all year and came up with some victories. The varsity team had only seven players which counted against them. New Coach Mike Feidt kept them working and it showed by their aggressive play. Jeff Pustina coached the JV for the first time this year too. They also worked hard and it looks like the basketball teams of the future will have quite a bit of talent to work with.

Good job, basketball players! We're very proud of your season!

Library Club, Fling Staff Inform Us

The FLING Staff has done a fine job trying to come up with new and interesting things to hold the readers' attention. At the beginning of the year they started out kind of slow, but after they got into the "fling" of it they did great. When the second semester started, they lost some help, which meant that the ones remaining had to work harder. Overall it was a fun and challenging year for them.

I'LL CATCH THE SUN

I'll catch the sun
and never give it back again
I'll catch the sun
and keep it for my very own.
And in a world where no one understands
I'll take my outstretched hand
and offer it to anyone
who comes along and tells me
he's in need of love.
In need of love or maybe just a friend.
Perhaps in time I'll even share my sun
with that new anyone
to whom I gave my hand.

—Rod McKuen
